Report of Independent Certified Public Accountants

Board of Directors
Flagstar Bank 401(k) Plan

We have audited the accompanying statements of net assets available for benefits of Flagstar Bank 401(k) Plan (the Plan) as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for each of the three years in the period ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000, and the changes in net assets available for benefits for each of the three years in the period ended December 31, 2001 in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the United States Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. This supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Flagstar Bank 401(k) Plan
Notes to Financial Statements
December 31, 2001 and 2000

Note A - Description of the Plan

The following description of the Flagstar Bank 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Flagstar Bancorp, Inc. (the "Company") who have met the eligibility service requirement and have attained the age of 21. The Plan provides for discretionary Company contributions which are allocated to a participant's individual account based upon a formula specified in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Eligible employees may contribute up to 6% in 2001 and 2000 (\$10,500 in 2001 and 2000, respectively) per annum, of their eligible compensation to the Plan. The Company matches employee contributions up to 3% per annum of the employee's compensation and may make discretionary contributions to the Plan. No discretionary contributions were made.

Vesting

Participants are immediately vested for their voluntary contributions. Vesting in the Company contributions and related earnings is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3 years	0%
Three Years	20%
Four Years	40%
Five Years	60%
Six Years	80%
Seven Years	100%

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company contribution made on the employee's behalf and an allocation of plan earnings based on the employee's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All contributions are invested in accordance with the participant's directive.

Participant Loans

Participant loans are permitted by the Plan. Participants may borrow up to the lesser of \$50,000 or 50 percent of the participant's vested account balance, reduced by the highest outstanding loan balance in the preceding 12 months. All loans must be repaid in level payments through after-tax payroll deductions over a five-year period or up to 10 years for the purchase of a primary residence. The loans are collateralized by up to 50% of a participant's account balance. Loans bear interest at a reasonable rate based on current prevailing rates, as determined by the Plan administrator, and range from 6.0% to 10.5%.

Flagstar Bank 401(k) Plan
Notes to Financial Statements - Continued
December 31, 2001 and 2000

Note A - Description of the Plan (Continued)

Payment of Benefits

Upon termination of services, retirement, attainment of age 59-1/2, death or disability, the participant or his or her beneficiaries are entitled to receive a distribution based on the vested amount of his or her account. A participant may also receive a distribution of his or her vested account balance in the case of financial hardship subject to the discretion of the Plan's administrative committee. Benefits are recorded when paid.

Forfeitures

If a participant terminates employment, any non-vested portion of the participant's account is forfeited. Forfeitures are applied to reduce the contributions of the Company. Forfeited nonvested accounts totaled \$66,000 at December 31, 2001 and \$79,000 at December 31, 2000.

Note B – Summary of Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States.

Use of Estimates

In preparing financial statements in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and additions and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value based upon the current quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

The Plan provides for various investment options in any combination of equity securities, bonds, fixed income securities and other investments with market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Note D - Parties In Interest

Substantially all administrative fees of the Plan are paid by the Company. Loan processing fees are charged to the participants. In addition, the Plan trades in the common stock of the Company.

Note E - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to provisions of ERISA. In the event of termination of the Plan, the assets of the Plan shall be distributed to all participants to the extent of the value of each participant's account after adjustment for liquidation expenses which were not paid by the Company.

Notes to Financial Statements - Continued
December 31, 2001 and 2000

Note F – Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated November 17, 1997, that the Plan and related trusts are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended effective May 3, 1999, subsequent to the determination letter date. This amendment provided a loan provision and additional investment options to participants. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
